REUTHER CENTRAL HIGH SCHOOL

ELOB – AIS - REAL – LINCS - CREDIT RECOVERY - TRANSITION - SKILL BUILDING
From the Desk of the Principal:

Dear Parents/Guardians,

The final quarter of this school year begins April 12. This is later than last year and will mean that the fourth quarter will feel like it is going very quickly. Because the success of your student is our top priority, we monitor school assignments and credit completion very closely. We are grateful for the support of our families overall and when we call on you for that additional teamwork. We are asking that every student and their parent be aware if there is a need for any extra time or support to complete all work. If help is needed, please check with us on where extra help is available. Our final parent conference date is May 13, which is important for final planning and progress reporting. We encourage everyone to join us for this night. In addition, any student with concerns should be planning now for extra help with incompletes and to finish the current quarter.

We will be offering Reuther Summer School credit completion and credit recovery (AIS) this year. Any senior that appears to be at risk for incomplete credits should plan to sign up for summer school during the last quarter. Several programs require students to attend after school is out for any incomplete. Applications must be completed.

Parent/Guardians are invited to a Reuther Parent Connections Dinner, scheduled for April 15 from 5-7:30 p.m. This is a dinner and discussion night with the principal, assistant principal and guidance counselors to continue our efforts to strengthen our parent connections. Please RSVP to 359-6160 by Monday April 12.

We also would like to invite each of you to attend some great end of the year celebrations scheduled in our programs. Of course we hope all of our graduates and families attend Graduation on Friday, June 4, 2010. Please check other important dates in this newsletter and feel free to call our office or any of our staff with questions. Have a great end of the school year!

Yours in Education,
Karen Walters
Principal

Last day of school, June 11, 2010, is a special early release day for students.

DRESS CODE REMINDER/DRESS FOR LEARNING

We are asking again for your help. We are noticing particular problems with lower tank top necklines, pants that are dropped or torn, and slippers which are not allowed. As the warm weather approaches remember, sleeveless tops, tank tops, gym shorts are not allowed. Addressing these problems interrupts valuable instruction time. Thanks for your support by talking with your student.

The Kenosha Unified School District No. 1 is an Equal Opportunity Educator/Employer with established policies prohibiting discrimination on the basis of age, race, creed, religion, color, sex, national origin, disability or handicap, sexual orientation, or political affiliation in any educational program, activity, or employment in the District. The Superintendent of Schools/designee (262-359-6320) addresses questions regarding student discrimination, and the Executive Director of Human Resources (262-359-6333) answers questions concerning staff discrimination.
FROM THE ATTENDANCE OFFICE . . .

Please remember to call in excused absences (359-6138) on the morning of the day your child is absent, or to send a note when she/he returns. Absences will be unexcused if the REUTHER Main Office is not notified.

Should you need to change the information on your son/daughter’s emergency card, please contact the REUTHER Main Office (359–6160). It is to the benefit of your child to have our information be as current as possible.

"Thank you to parents for working with us and supporting your student to Dress for Learning! Our students are doing really well with implementing the new student dress code. We will continue to work directly with students daily who are still adjusting and will call parents when your help is needed for supporting the new School Board policy."

Students will be invoiced for missing items or replacement of items not returned. Any unpaid fees will be billed to the students Unified Account.

Lanyard - $.50
Replacement ID - $1.50
T-shirt - $7.00 (to cover inappropriate attire)

Summer School registration forms are now available in the main office and guidance office.

CNA Information for 2010-2011
Students planning to take the Certified Nursing Assistant and/or class during the 2010-2011 school year should sign up now. See your counselor to sign complete the paperwork. Students will receive a letter from the ESC when accepted into a class. These classes are open to students who will be juniors and seniors next school year and who have excellent attendance. See the counselors or call Debbie at 359-6020 for more information.

Reuther Construction
The work on Reuther’s exterior masonry continues and has moved to the South and North sides of the building. North side access will be very limited. While most work on the west is complete 10th Ave. will remain one lane as will 58th st. This will stay like this for the remainder of the school year. East side masonry work is projected to be finished by the end of May without any lane closures. Please take extra caution and be patient when you are dropping off or picking up your child.

Thank You,
Mike Feucht, Reuther High School

Parents: Please be aware of the Excused Absence Recording and Follow up Procedures

The following are the criteria we will use for excused absences effective second semester. Exceptions will be reviewed by the Assistant Principal.

1. A parent may call in up to 10 excused absences per semester. Excused absence reasons include personal illness, illness in the immediate family, death of a family member or relative, or other reasons of legitimate health or educational benefit to the students. Medical appointments, court, and other reasons are determined as excused as indicated in KUSD Policy/Rule 5310.

2. Absences not cleared by a parent or guardian within five days will not be excused unless formal documentation is provided by a doctor, court, etc.

3. A medical excuse may be required for excused absences that exceed 3 consecutive days or 10 days in any semester or absences may be recorded as truancy if not provided. The district approved Letter for Excessive Medical Related Absences may be sent out for all students that have high medical absence that is not explained with a doctor excuse. This letter requests a meeting with the parent, which will be scheduled with the Assistant Principal (or designee).

4. Attempts to inform parents by phone that an excuse is required for absences that are over 3 consecutive days are made by Reuther attendance staff and a letter will be sent if we cannot reach you.

Parents’ Right to Receive Teacher Information

The recently reauthorized federal Elementary and Secondary Education Act (ESEA), also known as the “No Child Left Behind Act of 2001” requires additional reporting by both the state and local education agencies.

Among some of those options that every parent has a right to know is the following:

- Attends school which has been identified for improvement
- Attends school which is considered safe
- School has been identified as limited-English proficient and is or will be participating in a language instruction program

The "No Child Left Behind Act” says parents have the right to request the following informational qualifications of their children’s teacher:

- Whether the teacher has met state qualifications and has a license for the grade level and subject area he or she teaches
- Whether the teacher has an emergency or provisional license
- What degrees the teacher holds and the field of discipline or his or her certification or degree
- Whether the child is being provided services by paraprofessionals and, if so, their qualifications

Any parent or concerned individual may request any of the above information. Simply send in your request in writing to Reuther Central High School and the information will be given back to you in a timely manner.

Wisconsin Home Energy Assistance Program (WHEAP)

WHEAP assistance is a one-time payment during the heating season (October 1 to May 15) that assists low income families with heating bills and home weatherization. The funding pays a portion of the energy costs and is not intended to cover the entire energy costs of a residence. The amount of assistance varies depending on the household size, income, and energy costs. Crisis assistance may be available if a disconnection has occurred or is pending. In Kenosha County, contact the Spanish Center at 657-2160 to apply for energy assistance or weatherization services.

INSECT BITE ALLERGY

In the fall and spring, insect bites are common. Allergic reactions to insect bites, especially from bees, wasps and hornets, become a concern. It is important to know basic first aid for insect bites.

The degree of danger from a sting depends on four factors:
- The location of the sting (those closer to the head or heart are more dangerous)
- The number of stings
- The age of the victim (more dangerous for the very young or old)
- The victim’s hypersensitivity to the insect venom

When a person gets stung, it is NORMAL to experience local pain followed by swelling in the area of the sting. However, if a person is HYPERSENSITIVE, more severe symptoms will occur within five minutes and may include:
- Nausea, vomiting, abdominal cramps
- Swelling which extends beyond the sting area, for example, the entire limb or face and neck
- Difficulty breathing, rapid, weak respirations, throat tightness
- Shock, unconsciousness and death can occur if prompt action is not taken

First aid measures include:
- Have the victim lie down
- Remove the stinger by scraping it with the edge of a credit card or piece of cardboard
- Apply ice

CALL 9-1-1 AT THE FIRST SIGN OF HYPERSENSITIVITY. Stay with the victim, be prepared to give further emergency care, such as CPR, if necessary. If the person has medication to use for allergic reaction, it should be administered. Remember, never try to administer anything by mouth to someone who is unconscious.

At school, any student exhibiting symptoms of an allergic reaction to an insect bite would be treated as stated above. IT IS VERY IMPORTANT THAT PARENTS LET THE SCHOOL KNOW IF THEIR CHILD HAS HAD A PREVIOUS ALLERGIC REACTION. If your physician has prescribed any medication (oral or injection), this should also be provided to school along with the medication order.

SUN SAFETY

With warmer weather quickly approaching, a few safety precautions to review for protecting the skin while enjoying the summer months.
- The sun is strongest during the middle part of the day. Plan indoor activities during this time. Look for shaded areas to play, if unable to be indoors.
- Dress children in light weight clothing. Keeping the skin covered reduces exposure. Wear a hat to protect the sensitive areas of the head, neck, ears and face.
- Encourage children to wear sunglasses. Sunglasses need lenses that provide protection from UVA/UVB rays.
- Use sunscreen with appropriate SPF protection, at all times. Areas often missed include the ears, nose and tops of feet. Reapply per manufacturer directions. Sunscreen is necessary on overcast days due to UVA/UVB rays ability to penetrate through clouds.
- Wear lip balm with appropriate SPF protection.

Serious sunburn can increase the risk of skin cancer. Follow the Sun Safety Tips for a fun and safe summer.

End of the year Medication
As the end of the school year approaches, please remember to pick up your child’s medication on the last day of school. Any medication not picked up and taken home will be discarded. The school will not store any medication for the next school year.

As a reminder for next year:
All nonprescription medication must be in the original bottle or package with the child’s name clearly marked on the container. All prescription medication must be in the original pharmacy container with correct information on the label. If half tablets are to be given, the parent will be responsible for sending the medication in that form.

All medication, prescription or nonprescription, must be accompanied by a “Request for Medication Administration During School Hours” form, with parent or guardian’s signature. Prescription medications will also require a physician’s signature. Medications will only be administered at school the specified times noted on the form. Any changes in dose, time or medication will require a new form, and new container with the corrected pharmacy label.

The above rules still apply to any medication a student may need to carry with them, such as Epi-pens or inhalers. Both the medication and the medication administration form must be checked in at the office. The physician must check “YES” on the form stating “Student may carry medication for Emergency purposes.”

Medication administration forms must be renewed annually. The form and medication may be brought to school in the fall prior to the first day of class. All medication must be brought to school by an adult. Students may not transport medication themselves.

Thank you for your cooperation. Have a wonderful summer!
