From the Desk of the Principal:

Dear Parents/Guardians,

The final quarter of this school year begins April 11 and we have a short recess on Friday April 22 – April 25. Fourth quarter will feel like it is going very quickly, and for seniors it will feel even shorter because they must be done early (Graduation is June 3). Because the success of your student is our top priority, we monitor school assignments and credit completion very closely. If you have any questions about progress or extra help that your student is being offered, please contact teachers, counselors or administration to help us know what you need. We are grateful for the support of our families overall as we ask for your student to put in extra time and effort. We are continually offering extra help opportunities, however students often have the idea that they have plenty of time. Please continue to offer your positive recognition of their effort so they know it is important to you and to them. You make a difference. Our final parent conference date is May 12, which is important for final planning and progress reporting. We encourage everyone to join us for this night.

We will be offering Reuther Summer School credit completion and credit recovery (AIS) this year. Any senior that appears to be at risk for incomplete credits should plan to sign up for summer school during the last quarter. Applications must be completed ahead and remember, AIS serves other schools as well. We will seniors first option so please fill out an application at conferences if requested.

Our final Parent Connections Dinner, scheduled for April 14 will focus on college and post-secondary planning with parents. This is for all grade level parents. Please note that because we are having guests to help, we have shifted the time to 5:00. Please see the enclosed flyer and for our dinner count, RSVP to 359-6160 by Monday, April 11.

We also would like to invite each of you to attend some great end of the year celebrations scheduled in our programs. Of course we look forward to seeing all of our graduates and families for Graduation on June 3, 2010. Please check other important dates in this newsletter and feel free to call our office or any of our staff with questions. Have a great end of the school year!

Yours in Education,

Karen Walters

School Board Policies Attendance

1. The Executive Director of Educational Accountability is designated as the District attendance officer. The building principal/designee is designated as the school attendance officer.

A. Absence Reporting

1. An excuse from a parent/guardian is required for any student absence from school. For extended or excessive absence because of illness, a statement from a physician, dentist, or other qualified professional may be required.

2. It is the responsibility of the parent/guardian to notify the school during the morning of the day that the student is absent.

3. Students of legal age shall be responsible for providing absence excuses and school notification of such absences themselves.

4. Unusual or frequent absence by a student shall be reported to the principal and/or school attendance officer, and/or the Executive Director of School Leadership.

5. A record of attendance for each student will be kept and will be noted on the permanent record in accordance with established District procedures. Each teacher will keep an accurate daily record of each student’s attendance including tardiness, and shall submit a report as directed by the principal. A student sign in log will be maintained by the office staff for those students arriving to school tardy.

2. Under state statute 118.15 (3) (c), any child excused in writing by his or her parent or guardian before the absence. The Board shall require a child excused under this paragraph to complete any course work missed during the absence. A child may not be excused for more than 10 days in a school year under this paragraph.

3. Extended absence is any absence that is four or more consecutive days. For extended absences, due to illness, a statement from an authorized medical professional may be required by the principal.

4. Excessive excused absences are ten or more cumulative days of absence, consecutive or non-consecutive within the school year. Principals may require medical documentation for any excessive absence to be excused. If appropriate medical documentation is not provided, the absence will be unexcused. Unexcused absences will be considered truancy.

5. The time period for which any medical certification is valid may not exceed thirty (30) days.

6. Habitual Truancy: Students who miss part or all of five (5) or more days within a semester, without an acceptable excuse will be considered habitually truant. School officials will initiate District truancy procedures for those students identified as habitually truant. School officials will meet with parents/guardians, develop an intervention plan, evaluate the educational learning status of the student and recommend appropriate interventions. Legal action including referral to Kenosha County Juvenile Court and/or City of Kenosha or Village of Pleasant Prairie Municipal Courts may be considered.
DRESS CODE REMINDER/DRESS FOR LEARNING

We are asking again for your help. We are noticing particular problems with lower tank top necklines, pants that are dropped or torn, and slippers which are not allowed. Addressing these problems interrupts valuable instruction time. Thanks for your support by talking with your student.

"Thank you to parents for working with us and supporting your student to Dress for Learning! Our students are doing really well with implementing the new student dress code. We will continue to work directly with students daily who are still adjusting and will call parents when your help is needed for supporting the new School Board policy."

Students will be invoiced for missing items or replacement of items not returned. Any unpaid fees will be billed to the students Unified Account.
Lanyard - $.50
Replacement ID - $1.50
T-shirt - $7.00 (to cover inappropriate attire)

Hello Bulldog – Parents and students
As a promotional fundraiser the athletic dept. is hosting a **K-Swiss program** event here on **April 14th during the lunch hours**
It requires us to hang banners & host a try-on shoe event at lunch & voluntary participate in an on-line training competition.

So we are just asking for staff, parents & students to log in to the website and track the physical activity you do each day – this will add up to points for Reuther which results in our school scoring points to compete to win $15,000.

Registering is easy to do
Visit [www.trainforlifenow.com](http://www.trainforlifenow.com) to help Reuther win $15,000
You can use your home e-mail & address as well as your e-mail & Reuther’s address to get us even more points (you know I love to win!)
**We are listed in the drop down menu for schools under Reuther Central HS**
Just remember to un-click the promo add box at the end (my promo guy said it was ok to un-check the box) & track your activities!

Thank you again for participating in this program with us & be sure to come and try on some comfy new shoes at lunch on **April 14th**!

**Thanks in advance – Mel & Jon**

Parents' Right to Receive Teacher Information

The recently reauthorized federal Elementary and Secondary Education Act (ESEA), also known as the "No Child Left Behind Act of 2001" requires additional reporting by both the state and local education agencies.

Among some of those options that every parent has a right to know is the following:

- Attends school which has been identified for improvement
- Attends school which is considered safe
- School has been identified as limited-English proficient and is or will be participating in a language instruction program

The "No Child Left Behind Act" says parents have the right to request the following informational qualifications of their children’s teacher:

- Whether the teacher has met state qualifications and has a license for the grade level and subject area he or she teaches
- Whether the teacher has an emergency of provisional license
- What degrees the teacher holds and the field of discipline or his or her certification or degree
- Whether the child is being provided services by paraprofessionals and, if so, their qualifications

Any parent or concerned individual may request any of the above information. Simply send in your request in writing to Reuther Central High School and the information will be given back to you in a timely manner.

THE ART OF A STRONG FAMILY

How is building a strong family like creating a beautiful painting?

Both take training, discipline, patience, imagination and effort.
Both use learned techniques and individualized approaches.
Both are colorful, unique and beautiful.
Both enhance the community.

But...unlike a beautiful painting, families are always a work in progress.
They flourish when there are people around them who care.
