**Harborside Academy**

**Mission Statement**
Harborside Academy’s mission as an Expeditionary Learning School is to provide a rigorous academic program through learning expeditions, in a small personalized setting that impels and prepares students for full participation in the intellectual, economic and civic life of our society. Our approach draws students, teachers, and parents together in the pursuit of high standards of academic achievement, character, and service to the community.

**Instructional Focus**
As a college preparatory, public, 6 – 12 charter school, Harborside uses the Expeditionary Learning Outward Bound (ELOB) model. ELOB schools combine rigorous academic content and real world projects with active learning and community service. Harborside currently enrolls 610 students in grades 6 - 12.

**General Information**
The capacity enrollment at Harborside is 610. A wait list is maintained for all grade levels. Interested students should contact the school office at 262-359-8437.

**Reuther Central High School**

**Mission Statement**
The Mission of Reuther Central High School, a safe and caring learning community, is to inspire students to graduate and be productive members of society by supporting them to create and pursue their dreams.

**Instructional Focus**
Reuther Central High School offers a small school blended learning approach for grades 9-12 which includes group and personalized instruction, technology-supported and project-centered curriculum, developing student core academic skills, critical thinking and collaboration skills. The school schedule follows a grade level team approach where every student is personally supported with all year core content that emphasizes literacy, team building, and electives in arts and technology for a standard 23 credit diploma.

**General Information**
The capacity enrollment at Reuther is 525. Acceptance requires a parent/student meeting with a staff member. Information on options for upper grade level credit recovery at Reuther is available on the Reuther website.

Indian Trail High School and Academy
6800 60th Street
Kenosha, WI 53142

Mission Statement
The mission of the Academy, a choice school community of four academies, is to instill in our students academic and personal excellence by challenging all students to be critical thinkers, lifelong learners, and responsible citizens through innovative approaches to instruction and learning.

Instruction Focus
The Academy offers an innovative approach to secondary education with four thematic academies, or “schools within a school.” This environment creates an engaging atmosphere where classes integrate various technologies, and instruction focuses on making connections with other school subjects. These small communities, or academies, are called Medical Science/Biotechnology and Environmental Studies, Communications, Business and International Studies, and the Kenosha Military Academy. Each academy is organized into grade-level teams, which creates even smaller learning communities.

General Information
The capacity enrollment at Indian Trail High School and Academy is 800.

Kenosha eSchool
6121 Green Bay Road #100
Kenosha, WI 53142

Mission Statement
The Kenosha eSchool, in partnership with Wisconsin eSchool Network, exists to utilize new and emerging technologies, providing students with access to high-quality, standards-driven curriculum in a flexible environment that best serves their needs.

Instruction Focus
The Kenosha eSchool is a virtual charter school that offers a unique opportunity to students in grades K through 12 who would like either elementary or full or part-time secondary enrollment. The new elementary program utilizes the nationally recognized “Calvert” learning system and secondary courses are taken for credit towards graduation. All credits are transferrable to any district high school. Coursework is available anytime, and it is fully accessible through the Internet. Students may submit applications up to April 1. The program provides a great opportunity with many options to meet a student’s ever changing schedule and needs. Students and their parents will experience continuous communication with teachers and are able to monitor their progress at any time.

Added Benefits
Full and part-time options; Gain valuable online experience and free-up time in current schedule.
