Welcome to a new school year at Reuther!

This summer we began a visioning process which allowed us the opportunity to evaluate our philosophy, mission, and core beliefs. In addition to these, three areas of work were defined that will span the next several years. Our Reuther goal areas are: (1) Improving our Blended Learning instruction model, (2) Developing student profiles to support their unique interest areas, and (3) Marketing our school. As we progress with these plans, we may have need for more assistance that YOU may be able to give. Please keep this in mind, and let me know if you want to work with our school improvement efforts.

Here are some other ways you can be involved:

Two formal parent/guardian conference times. All freshman families will be given a scheduled conference time to come in and speak with the freshman teacher team. For the rest of our families, please note the FALL CONFERENCE times in this newsletter below.

Personal conferences are available as needed with a teacher, counselor, social worker, dean or administrator. We want to help support you with answering your questions or concerns. You can also email any of these people any time. Email addresses for staff can be found on the Reuther website.

Post-secondary (college and career) planning sessions can be scheduled with your student’s guidance counselor. All 10th graders go through a special planning process every year. You can also schedule meetings for assistance in planning for Youth Options courses, applying for next steps after high school, or getting help setting up financial aid applications.

Action Team For Partnership. We are currently looking for parents to join 1-3 meetings this year for this planning process. We will review our plan and consider other ways to support our connections with parents and community. These meetings happen after school.

Title One Committee: Parent representatives attend three meetings a year to review our goals and school plan. These meetings happen during the school day. The first meeting will be on Friday, October 30.

Fine Arts Events: This year our first fine arts night is December 10. See inside for more details.

Attendance Help: Please call the attendance line if your student is sick, so we know he or she is not truant. Please make sure your student is here to attend school on time. We can see a direct relationship between on-time attendance and grades.

Please call our main office at 359-6139 to be involved in any of these activities or to ask any questions. We love to have our families with us in our school community efforts.

I look forward to seeing you again or meeting you at parent conferences. Please stop and see me!

Yours truly in Education, Karen Walters, Principal

The Kenosha Unified School District Board is committed to providing students with an educational environment that is safe and conducive to learning for all. KUSD Attendance Policy

**The 5 W’s of Absence Reporting (Who, What, When, Where, Why)**

1. An excuse from a parent/guardian is required for any student absence from school. For an extended or excessive absence because of illness, a statement from a physician, dentist, or other qualified professional may be required.
2. It is the responsibility of the parent/guardian to notify the school during the morning of the day that the student is absent.
3. Students of legal age shall be responsible for providing absence excuses and school notification of such absences themselves.
4. Unusual or frequent absence by a student shall be reported to the principal and/or school attendance officer, and/or the Executive Director of School Leadership.
5. A record of attendance for each student will be kept and will be noted on the permanent record in accordance with established District procedures. Each teacher will keep an accurate daily record of each student’s attendance including tardiness, and shall submit a report as directed by the principal. A student sign-in log will be maintained by the office staff for those students arriving to school tardy.

Under Wisconsin State Statute 118.15 (3) (c), any child (may be) excused in writing by his or her parent or guardian before the absence. The Board shall require a child excused under this paragraph to complete any course work missed during the absence. A child may not be excused for more than 10 days in a school year under this paragraph.

**The Attendance Dictionary—What do these REALLY mean?**

**Extended absence** is any absence that is four or more consecutive days. For extended absences, due to illness, a statement from an authorized medical professional may be required by the principal.

**Excessive excused absences** are ten or more cumulative days of absence, consecutive or non-consecutive within the school year. Principals may require medical documentation for any excessive absence to be excused. If appropriate medical documentation is not provided, the absence will be unexcused. Unexcused absences will be considered truancy. The time period for which any medial certification is valid may not exceed thirty (30) days.

**Habitual Truancy:** Students who miss part or all of five (5) or more days within a semester, without an acceptable excuse, will be considered habitually truant. School officials will initiate District truancy procedures for those students identified as habitually truant. School officials will meet with parents/guardians, develop an intervention plan, evaluate the educational learning status of the student, and recommend appropriate interventions. Legal action including referral to Kenosha County Juvenile Court and/or City of Kenosha or Village of Pleasant Prairie Municipal Courts may be considered.

**Parents’ Rights to Receive Teacher Information**

The recently reauthorized federal Elementary and Secondary Education Act (ESEA), also known as the “No Child Left Behind Act of 2001” requires additional reporting by both the state and the local education agencies. Among some of those options that every parent has a right to know is the following:

- Attends school which has been identified for improvement
- Attends school which is considered safe
- School has been identified as limited-English proficient and is or will be participating in a language instruction program

The “No Child Left Behind Act” says parents have the right to request the following informational qualifications of their children’s teacher:

- Whether the teacher has met state qualifications and has a license for the grade level and subject area he or she teaches
- Whether the teacher has an emergency or provisional license
- What degrees the teacher holds and the field of discipline of his or her certification or degree
- Whether the child is being provided services by paraprofessionals and, if so, their qualifications

Any parent or concerned individual may request any of the above information. Simply send in your request in writing to Reuther Central High School and the information will be given back to you in a timely manner.

Be Respectful. Be Responsible. Be Safe. BE BULLDOG PROUD!

If you are calling your child in absent, please speak slowly—spelling the child’s first and last name. Provide the student’s grade, reason for the absence, your name, your relationship to the child, and a phone number where you can be reached.

It is critical to contact the main office if your student will not be in school, if you forget please call the following day so we can clear up any truancy for your student.

Our attendance secretary can take your attendance call in Spanish! Si llamas a su hijo en ausente, por favor hable despacio-délele el nombre y apellido de su hijo/a. También incluye el grado del estudiante, razón por la ausencia, su nombre, su relación y un teléfono donde se le pueda localizar. ¡Gracias!
The State of Wisconsin has changed their battery of standardized tests.

The ninth grade students will be taking the ACT Aspire test on October 14, 15 and 16. This test will be done entirely on computers, and there has been a great deal of preparation already for this. The students are so comfortable with the use of computers that taking this test for them will be a skill that they have already acquired. KUSD has done MAP testing for the past five years and that is also web based.

The ninth and tenth grade students will be taking the ACT Aspire in the spring.

The tenth grade students will be taking the WKCE science and social studies tests this fall. These tests will be given during their academic block time during late October.

Testing can cause students to become anxious. Please encourage your child to do their best by getting plenty of sleep the night before testing, and we will do our best to provide a positive learning environment for our students.

### School Social Worker News

#### Meet our Social Work Staff

Social Workers are trained mental health professionals that provide support to our students in the areas of social, emotional and personal life adjustment while in school. We are the link or bridge between home, school and community in providing services to students, families and school. We may see students individually, in the classroom or in the group setting. This year your social workers are:

- **Grant Howe** (9th - 10th grade students) Room 148A  359-7008
- **Laurie Bonnar** (11th - 12th grade students) Room 148B  359-7853
- **Kathy Belshaw** (Special Education Support) Room 156A  359-7871

#### How Can We Help?

Some groups and initiatives the social work department will be offering students are SADD (Students Against Destructive Decisions), ART (Anger Replacement Training), Coping CAT (Anxiety Coping Skills development), Concerned Persons (Positive ways to cope with the influence of Alcohol and Drugs in our lives), Leadership and Community Service Opportunities. During this past week your students have been given the opportunity to sign up for groups. More information on all of these groups can be found on our website at Reuther.edu/guidance/social work.

#### Project Success

Students, like adults, cannot recognize and achieve their dreams when they are abusing or addicted to alcohol and other drugs. Project Success is a student assistance program that helps students in continuing to make healthy choices and is also here to help students and families who are experiencing the negative effects of alcohol and other drug abuse. If you are concerned about your student’s alcohol/drug use, contact your Reuther Social Workers.

#### Leadership Team

The Reuther Leadership Team participated in a team building and goal setting field trip at Camp Wonder-land on September 11th. They completed High Ropes and Team Building activities.

#### S. A. D. D.

S.A.D.D. (Students Against Destructive Decisions) participated in the Hope Councils Rally for Recovery on September 20 at Pennoyer Park. They utilized pig lungs to demonstrate the negative effects of smoking to people that attended the event.

### Congratulations

Congratulations to Reuther High School 2014-2015 S.A.D.D. group! Their project, “Lessons on Addiction,” developed and taught to students at Lincoln Middle school last year, has been selected to be presented at the Concerned Citizens Coalition on Alcohol & Other Drug Abuse for Greater Kenosha’s Annual Meeting on October 21, 2015.

Great work making a difference in our community!

### Red Ribbon Week at Reuther

We will celebrate our nation’s oldest and largest drug prevention program “RED RIBBON WEEK” at Reuther and all of Kenosha County October 18 – 24, 2015. By wearing red bracelets, we at Reuther and throughout Kenosha County will be pledging to live a drug-free life. In 1988, the National Family Partnership sponsored the first National Red Ribbon Week. The Red Ribbon began as a symbol of hope for people taking a stand against illegal drugs, and today it still stands as a symbol the belief that one person can make a difference in the fight against drugs.

#### Tentative Reuther Red Ribbon Week Activities

- **Monday, October 19** - “Pledge to Be Drug Free”
- **Wednesday, October 21** - “Wear Red Day”
- **Thursday, October 22** - “Grim Reaper Day”
  (Students will be have their faces painted to represent deaths related to alcohol and drugs)
- **Friday, October 23** - “Reuther Spirit Wear Day”
Do you know what title was chosen for this year’s Kenosha Big Read event? What is the Big Read you say? The Big Read is a large event hosting many smaller events, all of which center around our city reading and discussing the same book. This year’s title is To Kill A Mockingbird by Harper Lee. Free copies of the book are available at all the Kenosha Public Libraries. Many additional locations for free books can be found by visiting the Kenosha Public Library webpage under THE BIG READ link. [http://mykpl.info/iguana/main.cls](http://mykpl.info/iguana/main.cls) For a full listing of the other events in our community visit this link [http://www.neabigread.org/communities/?community_id=2030](http://www.neabigread.org/communities/?community_id=2030). Read the book. Join a discussion. Share your voice.

Students: Please return your library books from last year. Any books not returned in June were marked lost and the charges added to your Infinite Campus account. So please return those books and get those charges removed.

Students: Read a Banned Book!!! Sept 27th is the beginning of a week dedicated to the “Freedom to Read.” It is appropriate that we do this at the beginning of the school year as we recognize our right to intellectual freedom. Check out this link for a list of the 100 most Banned and/or Challenged books. And then, read one! Your library can help you get it. [http://www.ala.org/bbooks/frequentlychallengedbooks/top100](http://www.ala.org/bbooks/frequentlychallengedbooks/top100).
